Digital News Subscription

How to setup your digital subscription

**Step one**

**Step two**

Users to self-activate the subscription, by clicking on the “Activate” link and completing the sign-up journey for News Corp access.

**Step three**

Confirmation: Once the sign-up process has been completed, confirmation emails are sent to the subscriber. They can set password and confirm privacy policy upon first use.

**Step four**

Once activated, these users have immediate unrestricted access on all their devices using their email address and password entered during steps two and three.
